## AUXILIARY

### Auxiliary President

Congratulations, you have been elected to the highest office in your Auxiliary.

Guidelines have been established to assist you in having an effective and productive year as Auxiliary President and to give you the confidence and knowledge to successfully perform your duties and obligations. Never be afraid to ask questions of your mentor, Department Chief of Staff or Department President.

#### **Best Practices of an Auxiliary President:**

1. Always have a positive attitude; your attitude sets the tone for your year.
2. The first thing you will want to do is choose an Installing Officer to install you and your officers for your term of office. It must be a person who has held the office of Auxiliary President, Post Commander or of a higher leadership title.
3. If you are doing a joint Installation with the Post, you will need to talk with your incoming Commander and both agree upon a date and time. **Do not assume anything.**
4. Your next step will be to appoint your Secretary, Patriotic Instructor, Historian and Floor Officers if your Auxiliary does floor work or any of the ceremonies. (See the *Ritual* for further information.)
5. Work with the presiding Auxiliary Secretary to fill out and send the Installation report to the proper place. It can also be inputted through MALTA. (Installation Warrants are no longer necessary.)
6. National Programs are determined year to year by the incoming National President. You will need to check the VFW Auxiliary National website, Department website or make contact with the Department Secretary. Before appointing your Program Chairmen for your term of office, make sure you are educated on and have a plan to cover all programs.
7. On the National Auxiliary website, [www.vfwauxiliary.org](http://www.vfwauxiliary.org), you will find all the resources to assist you in your duties: training manuals, necessary forms, *VFW Auxiliary Magazine*, National event schedules and the VFW Auxiliary Online Academy webinars.
8. Sign up for the VFW Auxiliary newsletter at [www.vfwauxiliary.org](http://www.vfwauxiliary.org). It has up-to-date information on many subjects and keeps you connected to VFW Auxiliary National Headquarters. *VFW Auxiliary Magazine* comes out every other month starting in January and has information, and inspiring and motivating stories. Be sure to share your Auxiliary's story from an event or project with National Headquarters to [info@vfwauxiliary.org](mailto:info@vfwauxiliary.org).
9. MALTA – If you have not already done so, activate your MALTA account by going to [www.vfwauxiliary.org](http://www.vfwauxiliary.org) and click on Member Login. You will be given access to your President duties beginning July 1. You will need your membership ID number, which can be found on your membership card or on the back of your *VFW Auxiliary Magazine* on the mailing label above your name.
10. Your National Bylaws and Ritual must be the current edition. This will be your go to book for most of your answers. Take the time to read through and acquaint yourself with the workings of the

organization. You can purchase current National Bylaws (known as the *Podium Edition Bylaws and Ritual*) from the VFW Store, [www.vfwstore.org](http://www.vfwstore.org). Digital versions are also available.

11. Have a planning meeting with your incoming Officers and Chairmen to decide what programs or events you might like to do in your term. Include dates, places and times. Make sure that you confirm all events, dates and times with the Post Commander and Post House Committee Chairman.
12. Speak with your Commander to have a joint Officers and Chairmen meeting to work as a team in planning and presenting programs. Working together as a TEAM will bring success.
13. Keep a good working and communicating relationship with your Commander.
14. After your Department Convention, you will officially take office. Now excitement within the Auxiliary begins!
15. Read and follow through with Section 810, bullet No. 4. You must report certain items to your VFW counterpart within 30 days of taking office.

**Being Prepared:**

1. Be prepared for your meetings with an agenda, current National Bylaws, gavel and any correspondence you have received to hand to your Secretary. (A suggested agenda/order of business can be found on Page 27.)
2. It is the job of the Conductor/Conductress to see that the meeting is set up properly. As an Auxiliary President, it will be your job to see that it is carried through.
3. Highlight your part of the meeting in the Ritual section of the National Bylaws.
4. Before every meeting, make contact with your Auxiliary Secretary for any unfinished or new business. Make contact with the Treasurer to ensure that all financial obligations have been met and if there is anything that needs to be brought forth on the meeting floor.
5. Make a list of the Chairmen you want to report every month to assure you don't leave anyone out.
6. Have notes ready for discussion you might have about an event or upcoming programs.
7. Make sure all Officers have a current Ritual and know their ritual parts.
8. Start your meetings on time. Keep your meeting short and informative.
9. Have committee members discuss their plans prior to the meeting, so that only the facts and information are reported on the floor. This helps to make the meeting brief and productive.
10. Be enthusiastic with the programs and make sure you thank the Chairmen and everyone for attending and participating.
11. Dress appropriate; you lead by example.

12. As a suggestion, on your first meeting you might want to ask the Commander to come and be introduced to the Auxiliary. Let the Commander know that the Auxiliary is there to work with the VFW and to help veterans and their families.
13. At your meetings, if a question is asked that you cannot answer, be honest and tell them you do not know, but will find out the answer and report back. Honesty is the best policy.
14. If your Department has a School of Instruction, make every effort to attend. Encourage your members, Officers and Chairman to attend. Current information on programs and reporting is given at that time. Consider inviting several members to ride together and make it a group event.
15. Encourage all members to attend Department meetings, such as Council of Administration Meetings, Conference Meetings and Convention. All members in good standing are encouraged to attend all Department and National meetings. Provide dates, places, times and registration information.
16. As a voting member, you should attend District Meetings. Encourage Officers and members to attend. Provide dates, places and times.
17. At your April meeting, election of Officers must be completed. See Article VIII, Section 804A of the National Bylaws. Delegates and Alternates for District, Department and National Convention should be completed and sent to the respective officer or submitted online.
18. Be sure that District Delegates and Alternates are elected and reported to the District Secretary prior to the District Convention (Article III, Section 303).
19. Help your Chairmen at all times. Do not be overbearing; just let them know that you are there to help if needed. Encourage them to try new things and involve other members to help.
20. Membership is very important. Choose a Chairman who believes in the organization and can spark interest in others who may be eligible. Appoint a Membership Committee of five members to recruit and retain your membership. (Article VIII, Section 810A)
21. Appoint an Investigating Committee of three members to determine eligibility of applicants. (Article I, Section 102)
22. Understand and review your Auxiliary's Standing Rules. For more on Standing Rules, see Page 26 for a guide.

#### **Leadership Role:**

1. Your leadership role as an Auxiliary President is to inspire and motivate others, to create a vision of the future that is vivid and compelling and that motivates members to want to be active and achieve. Everyone wants to be a part of something that makes a difference in their community. As a leader, you are best able to help the members of your team connect what they do in their community with the impact of our mission of service to our veterans, military and their families.
2. Great leaders have integrity, are honest and take responsibility. Be a good role model.

3. Communicate with your members often and in a variety of different ways, whether by one-on-one conversations, team meetings, blog posts, email, phone, Skype or any other medium.
4. As President, you will need to communicate regularly with your VFW, Auxiliary, District, Department and National throughout your term of office.
5. Help set goals for your Auxiliary, but be a team player. Work closely with your Secretary and Treasurer.
6. When making decisions, take time to think it through, do research or ask a mentor for advice. Your decision should be rendered in a kind but firm manner.
7. There are many things to accomplish and many tasks to perform during the year. To keep them from getting overwhelming, learn how to assign duties to other members. Ask in a personal way and be specific about what you are asking to be done and the time commitment necessary.
8. Be sure that Officers, Trustees and other positions get the training needed. If you need assistance in this area, check the Department and National websites for resources or contact your Department Secretary or Chief of Staff for guidance.
9. Remember to say “Thank you” at all times.

We hope these guidelines helped you in some way. There is so much to learn. Do the best you can; that is all that anyone can do. Thank you for being Auxiliary President!

Good luck! The success of your term of office depends on your leadership!

Good luck! The success of your term of office depends on your leadership.

### **Auxiliary Official Visits by District President**

1. Make contact as soon as possible with all your VFW Auxiliary Presidents and set up your visitations for your inspections. Keep in mind that you cannot do your own Auxiliary. The District Senior or Junior Vice-President will complete the inspection.

a. Three (3) copies of the Department's District Inspection Form, one copy to the Auxiliary, one copy to the Department and one copy for your files. Fill out all areas completely and honestly. (A sample form can be found on Page 29.)

b. Pen or pencil

c. Talking points

d. Paper (A laptop or tablet may also be used to take notes.)

e. Name of President, Secretary and Treasurer

f. Current National Bylaws

6. Check with your Department Chairmen/Secretary to see if the Auxiliary is up to date on reporting, programs, audits and membership.

7. Take notes of all their achievements and also any improvements that can be made.

8. When inspecting the books, be sure that motions of money spent as described in the Secretary's minutes match the checks written by the Treasurer.

9. Report any information and concerns to the Department. Be honest. If you are not honest, you are not helping the Auxiliary, District, Department or the National Organization. This is the purpose of the Official Visit: to assist and keep good, strong, healthy Auxiliaries.

10. Make sure you compliment the Auxiliary on their great work. Be enthusiastic. Express how important they are to the mission of service to veterans. Thank them for being members and for all they do.

11. If the Auxiliary is not in good working order, the Department President must be notified. She/he will either have you continue as a mentor or appoint an ongoing mentor.

12. Dress appropriately and set a good example.

13. Always begin and end with a "Thank You." Those two words can never be said enough.

# DEPARTMENT

## Department President

Congratulations, you have been elected to the highest office in your Department!

Guidelines have been established to assist you in having an effective and productive year as VFW Auxiliary Department President, and to give you the confidence and knowledge to successfully perform your duties and obligations.

### **Best Practices of a Department President:**

1. Always have a positive attitude; your attitude sets the tone for your year.
2. By now you have attended the National Senior Vice-Presidents' Conference and received your program and training information on being the best Department President you can be.
3. You will need to appoint Chairmen and appointed Officers for your term of office. Make sure that all your Chairmen and Officers receive their expectations/duties.
4. Hold a meeting to distribute all the information you received at the Senior Vice-Presidents' Conference. Present to your team of Officers and Chairmen all your dates and expectations for the year.
5. Meet with the Department Treasurer and Budget Committee to review the annual budget so that it aligns with plans for the year.
6. On the National Auxiliary website, [www.vfwauxiliary.org](http://www.vfwauxiliary.org), you will find all the resources to assist you in your duties: training manuals, necessary forms, *VFW Auxiliary Magazine*, national event schedules and the VFW Auxiliary Online Academy webinars.
7. Sign up for the VFW Auxiliary newsletter at [www.vfwauxiliary.org](http://www.vfwauxiliary.org). It has up-to-date information on many subjects and keeps you connected to VFW Auxiliary National Headquarters. *VFW Auxiliary Magazine* comes out every other month starting in January and has information, and inspiring and motivating stories. Be sure to share your Auxiliary's story from an event or project with National Headquarters to [info@vfwauxiliary.org](mailto:info@vfwauxiliary.org).
8. MALTA – If you have not already done so, activate your MALTA account by going to [www.vfwauxiliary.org](http://www.vfwauxiliary.org) and click on Member Login. You will be given access to your duties beginning July 1. You will need your membership ID number, which can be found on your membership card or on the back of your *VFW Auxiliary Magazine* on the mailing label above your name.
9. Your National Bylaws and Ritual must be the current edition. This will be your go to book for most of your answers. Take the time to read through and acquaint yourself with the workings of the organization. You can purchase current National Bylaws (known as the *Podium Edition Bylaws and Ritual*) from the VFW Store, [www.vfwstore.org](http://www.vfwstore.org). Digital versions are also available.
10. If you are doing a Joint Installation with your VFW Department, you will need to coordinate with your incoming Department Commander and both agree upon a date and time. **Do not assume anything.**

11. Choose an Installing Officer to install you and your Officers. Remember, your Installing Officer has to have held the office of Department President or higher office. They may also be a VFW Past Department Commander or held an office higher than that.
12. Make contact with the VFW and any other necessary members to set up your Council Meetings and special events.
13. Have a team meeting with all your District Presidents to form an open line of communication, since the District Presidents are a liaison between the Auxiliaries and the Department President. Also, set a date for the Official Visit to their District.
14. Speak with your Department Commander about having a joint Officers and Chairmen meeting to work as a team in planning and presenting programs such as Department judging/awards for Voice of Democracy, Patriot's Pen, Teacher of the Year, etc. Working together as a TEAM will bring success.
15. Keep a good working and communicating relationship with your Auxiliary and District Presidents.
16. After your Department Convention, you will officially take office. Now the excitement within the Department begins.

**Being Prepared:**

1. Be prepared for your meetings with an agenda, current National Bylaws, gavel and any correspondence you have received to hand to your Secretary. A suggested agenda/order of business can be found on Page 29.
2. It is the job of the Conductor/Conductress to see that the meeting room is set up properly. As a Department President, it will be your job to see that it is carried through.
3. Highlight your part of the meeting in the Ritual section of the National Bylaws.
4. Before every meeting, make contact with your Department Secretary for any unfinished or new business. Make contact with the Treasurer to ensure that all financial obligations have been met and if there is anything that needs to be brought forth on the meeting floor.
5. Make a list of the Chairmen and/or Committees who will be making presentations to assure you don't leave anyone out.
6. Have notes ready for discussion you might have about an event or upcoming programs.
7. Make sure all Officers have a current National Bylaws and Ritual and know their Ritual parts.
8. Start your meetings on time. Keep your meeting short and informative.
9. Be enthusiastic with the programs and make sure that you thank the Chairmen and members for attending and participating.
10. Dress appropriately; you lead by example.

11. As a suggestion, at your first meeting you might want to ask the Department Commander to come and be introduced to the Auxiliary. Let the Commander know that the Auxiliary is there to work with the VFW and to help our veterans and their families.

12. At your meetings, if a question is asked that you cannot answer, be honest and tell them you do not know but will find out the answer and report back. Honesty is the best policy.

### **Leadership Role:**

1. Your leadership role as a Department President is to inspire, educate, motivate and communicate, to create a vision of the future that is vivid and compelling, and that motivates members to want to be active and achieve. Everyone wants to be a part of something that makes a difference in the community. As a leader, you are best able to help the members of your team connect what they do in their community with the impact of our mission of service to our veterans, military and their families.

2. Your first duty is to hold a Council Meeting in order to pass the budget. Within 30 days of assuming the duties of Department President, submit to the VFW Department Commander the last quarterly audit and member status report, as well as additional reports that may be required by the Liaison Committee. (Per *VFW Manual of Procedure*, Article XI, Sec. 1101, Reports; also see VFW Auxiliary Bylaws, Article VIII, Sec. 810, President, Duties of All Levels)

3. See that all dues and other monies due to National Headquarters are received.

4. See that the office of the Department President and Treasurer are bonded with sufficient security in a sum to be approved by the Council of Administration. The Department President shall hold the bond.

5. Make Official Visits to each District and the Auxiliaries where there is no District.

6. Review all Auxiliary Official Visit Forms from the District Presidents to make sure there are no areas of weakness. Work with the District President, Deputy District Chief of Staff, Department Chief of Staff or another appointed mentor.

7. Recommend Suspension of those Auxiliaries that do not comply with the National Bylaws regarding audits, installation reports, bonds, etc.

8. Only after you and your team of mentors have done all that you can to make things work, have made contact with all the members on more than one occasion to rebuild the Auxiliary, recruited new members throughout the community and the Auxiliary still fails to improve, a recommendation can then be made to National Headquarters for cancellation, with proof of an all-out effort to rebuild and strengthen the Auxiliary.

9. Maintain open lines of communication with the Department Council of Administration, Chairmen and members.

10. Complete training for all levels in the Department. (Auxiliary, District and Department)

11. A visit request for your National District Council Member should be sent to National Headquarters. The National Secretary-Treasurer who will be the one to make contact with the National District Council Member, who will in turn make contact with you.

13. Keep a calendar book with you at all times. Do not depend on your memory!
14. Suggestion: Keep a record at all times for any situations, complaints, phone calls or any other problems. This will help you keep track of who, when, where and how it was handled. Make sure you record the name and date from the beginning to the completion of the situation or problem.
15. Love gifts are appropriate but optional for any National Representative.
16. Consider keeping small wrapped gifts in your car for unexpected presentations.
17. Listen to what your members are saying. You are the Department President because they voted you in. They now become your priority. If you say you will get back to the membership, make sure you do. Respect is important. Trust is more important.

We hope these guidelines helped you in some way. There is so much to learn. Do the best you can. That is all that anyone can do. Thank you for your leadership as the VFW Auxiliary Department President!

Good luck! The success of your term of office depends on your leadership.

They may state what to pay, when and to whom.

Who May Have Standing Rules (Bylaws – Article II, Section 211): Auxiliaries at all levels may establish Standing Rules to provide for specified operations, activities, events, expenses and disbursements between meetings, provided such rules do not conflict with the National or Department Bylaws.

No Standing Rules:

If an Auxiliary, County Council, District or Department does not have Standing Rules, business is efficiently conducted by motion made, seconded and passed on the Auxiliary floor prior to money being disbursed or general operating procedures being conducted.

If there is a need to clarify the budget or establish an approval for funds to be disbursed between meetings, then Standing Rules might be needed.

# Resolutions Guide

## RESOLUTIONS

### Purposes and Uses

A resolution is an expression of the opinion of the adopting body or a declaration of its intent. Resolutions may also express condolences, congratulations, invitations, thanks, etc. Usually, resolutions are considered to be a more formal form of a motion. The VFW Auxiliary uses resolutions to set policy and to amend the National Bylaws and Booklet of Instructions, as well as for other purposes. If you want to affect the policy of your Department or National Headquarters or to amend the National Bylaws, you will have to follow the requirements set forth under "Convention Committees" in the National Bylaws.

The purpose of your resolution will determine what you do with it. For example, your Post and VFW Auxiliary want to announce a "Buddy"® Poppy Drive. After your Post and your VFW Auxiliary adopt the resolution, you may want to have it published in your newspaper. In addition, you might want to have your mayor sign a resolution regarding your "Buddy"® Poppy Drive and have it published in your newspaper. In both cases you have accomplished the purpose of the resolution, so you don't need to forward it to anyone in the VFW Auxiliary for further action.

As another example, your VFW Auxiliary wants to amend the National Bylaws to eliminate the minimum age for membership in the VFW Auxiliary. After a VFW Auxiliary member writes the resolution and moves its adoption on the Auxiliary floor, your VFW Auxiliary must vote to adopt or reject it. If your VFW Auxiliary votes to adopt the resolution, it is then be sent to the Department Resolutions Committee in accordance with their requirements, such as the time in which the resolution must be submitted, etc., with a copy to the Department Secretary. If the resolution is adopted at your Department Convention, it must then be forwarded to the National Secretary, following the requirements of the National Bylaws.

### Department Resolutions Committee and National Bylaws and Resolutions Review Committee

Under "Convention Committees" in Article VI of the National Bylaws, it provides that the Department President is to appoint a Resolutions Committee. The Department Resolutions Committee is to receive all resolutions to be considered by the Department Convention and present them with recommendations to the Department Convention.

Who may submit a resolution? Resolutions may be originated by:

1. VFW Auxiliaries and any of its members
2. County Councils
3. Districts
4. Department Officers
5. Department Resolutions Committee
6. Department Convention

7. National Officers

8. National Bylaws and Resolutions Review Committee

9. National Convention

#### Preparing a Resolution-Generally

To ensure your resolution is considered, it should be properly prepared. Resolutions may be given verbally or submitted in writing. When writing, be concise and specific. If you want your resolution to affect policy of National Headquarters or to amend the National Bylaws, you must submit it in writing.

While any two parliamentarians or any two attorneys will not completely agree as to the proper form of a resolution, there are certain matters that are usually true. Generally, a resolution has two separate sections:

1. a statement of the problem (WHEREAS clauses), and
2. the proposed solution (RESOLVED clauses)

The RESOLVED clauses (also known as the Preamble) should include everything you want done, not the why (the reasons are in the WHEREAS clauses). A resolution does not have to have any WHEREAS clauses to be adopted.

#### WHEREAS clauses

1. Each WHEREAS clause is a separate paragraph, beginning with the word "WHEREAS" followed by a comma.
2. The word "WHEREAS" is sometimes in all capital letters, sometimes in upper and lower case in bold. There is no set requirement.
3. The next word in the clause begins with a capital letter.
4. Each paragraph is ended with a semicolon-periods are not used. At the end of the next to last WHEREAS clause, insert the word "and" after the semicolon.
5. At the end of the last WHEREAS clause, insert the words "be it" or "be it therefore" after the semicolon, or between the last WHEREAS clause and the first RESOLVED clause, insert the words "THEREFORE, BE IT" on a separate line.

#### Examples:

WHEREAS, The children of the east end of the city of Euphoria and their parents depend on the playground on Main Street to be a safe place;

WHEREAS, The Department of Wonderful seeks to amend paragraph 3 of Section 503 of the National Bylaws by deleting the words "not" and the words "a vote or" in the second sentence, and by inserting the word "still" between the words "she" and "is";

1. Each RESOLVED clause is a separate paragraph.
2. The word "RESOLVED" is sometimes in all capital letters, sometimes in upper and lower case in bold. There is no set requirement.
3. The word "That" is the next word in the clause.
4. If you have more than one RESOLVED clause, a semicolon or period is used at the end of all but the last clause. A period is always used at the end of the last RESOLVED clause. Sometimes the clauses are numbered.

#### Preparing a Resolution-National Bylaws Requirements

Procedure for presenting a resolution for consideration according to Section 606A:

-Resolutions submitted by a VFW Auxiliary for consideration at a Department Convention (or Department Meeting) must be signed in ink by the VFW Auxiliary President and have the VFW Auxiliary seal affixed.

-Resolutions submitted by the Department Resolutions Committee for consideration at a Department Convention (or Department Meeting) must be signed by the members of the committee.

-Resolutions submitted by the Officers of the Department for consideration at a Department Convention (or Department Meeting) must be signed by the Officers.

1. RESOLVED, That the VFW Auxiliary to VFW Post 00000 hereby urges the City Council of the city of Euphoria to provide sufficient additional funds to restore and maintain the equipment in the playground on Main Street in our city of Euphoria.

2. RESOLVED, That the Department of Wonderful, Veterans of Foreign Wars of the United States Auxiliary, expresses its appreciation for all of the courtesies and efforts; and be it further resolved...

#### Committee Action on a Resolution

When either the Department Resolutions Committee or the National Bylaws and Resolutions Review Committee considers a resolution, a majority of the committee decides whether to recommend adoption or rejection to the Convention (or Department Meeting). If the committee finds problems with the resolution but believes it has merit, it may present its own resolution.

Writing a resolution is not difficult, but it can be intimidating. Not only does the writer have to follow certain format requirements, he/she must also write a resolution that accomplishes its purpose. The Committee may offer to assist.

## Adopting a Resolution

Resolutions may be adopted, amended, rejected, or recommitted to the same committee. If you want to amend a resolution, usually the RESOLVED clause(s) is amended first. The WHEREAS clauses and the RESOLVED clause(s) are adopted together as one (1) resolution.

Generally, a majority vote is needed to adopt a resolution. However, if the purpose of the resolution is to amend or alter the National Bylaws, a two-thirds (2/3) vote is required.

Courtesy resolutions are usually adopted by general consent because a negative vote should never be taken. Ask the body if it wants to adopt a courtesy resolution by saying something like, "If there are no objections, the courtesy resolution will be considered adopted." If a majority is objecting to adoption, then the resolution is not adopted. If a vote is taken, only the "ayes" portion is done. If a majority did not vote in favor of adoption, the resolution is not adopted.

At the Department Convention (or Department Meeting) or National Convention, the Resolutions Committee Chairman or the Bylaws and Resolutions Review Committee Chairman will be called upon by the President to give his/her committee report. The Chairman will report on the action of his/her committee as to each resolution, i.e., whether they voted to adopt or to not adopt a resolution.

If his/her Committee voted to adopt a resolution, the Chairman will read the resolution unless the members have copies of the resolution and then say something like, "By direction of the Resolutions/Bylaws and Resolutions Review Committee, I move adoption of Resolution No. 123." The President will then say something like, "The Resolutions/Bylaws and Resolutions Review Committee has moved adoption of Resolution No. 123. Is there any discussion?" If needed, the Chairman may explain the reasoning of the Committee. The President may need to prompt the body and may say, "Is there any further discussion?" After the discussion is concluded, the President will say something like, "Those in favor of adoption of the resolution will say "aye"; those opposed will say "no"." If the motion (resolution) is adopted (accepted), the President will say, "The "ayes" have it and the resolution is adopted." If the resolution is not adopted (rejected), the President will say, "The "noes" have it and the resolution is not adopted."

If his/her Committee voted to not adopt (reject) a resolution, the Chairman will read the resolution unless the members have copies of the resolution and then say something like, "By direction of the Resolutions/Bylaws and Resolutions Review Committee, I move Resolution No. 123 not be adopted." The President will then say something like, "The Resolutions/Bylaws and Resolutions Review Committee has moved Resolution No. 123 not be adopted. Is there any discussion?" If needed, the Chairman may explain the reasoning of the Committee. The President may need to prompt the body and may say, "Is there any further discussion?" After the discussion is concluded, the President will say something like, "Those in favor of not adopting the resolution will say "aye"; those opposed will say "no"." If the motion (resolution) is adopted, the President will say, "The "ayes" have it and the motion is not adopted." If the motion is not adopted (rejected), the President will say, "The "noes" have it and the resolution is adopted."

If a resolution is adopted, you should add a notation at the end of the resolution of the action taken. For example, if the resolution was adopted by your VFW Auxiliary, add something like, "This resolution was adopted at the April 4, 2016 meeting of the VFW Auxiliary to VFW Post 00000" and have your VFW Auxiliary President sign in ink and have your VFW Auxiliary seal affixed.

### Forwarding Resolutions

If a resolution must be forwarded to the next level, please follow the requirements set in Section 606A of the National Bylaws. If a resolution has not been adopted, please do not forward it. The next level cannot act on a resolution that has not been adopted. Also, you do not have to forward a resolution that does not require action by another body.

A VFW Auxiliary approved resolution that will be forwarded to the Department Resolutions Committee with a copy to the Department Secretary must be submitted in accordance with deadlines and other requirements of the Department and have:

1. a notation at the end of the resolution stating the resolution was adopted and when it was adopted;
2. the signature of the President in ink; and
3. the seal affixed.

When forwarding a resolution approved by a Department Convention (or Department Meeting) to National Headquarters, it must:

1. be forwarded to National Headquarters postmarked or electronically sent (scanned or faxed) within five (5) days following the Department Convention (or no later than March 31 if adopted at a Department Meeting)
  2. be accompanied with a letter that:
    - states when the resolution was approved,
    - is signed by the Department President who presided at the Department Convention (or Department Meeting), and
    - has the Department seal affixed.
- See the National Bylaws and Demeter's Manual for further information.

## Duties of Chairman

### Duties of an Auxiliary Chairman

An Auxiliary Program Chairman is a very important role in our organization. It all starts at the Auxiliary level.

Purpose:

Auxiliary Chairman, you are expected to promote all aspects related to your program.

- You are to inform your Auxiliary Members of the focus that the National Ambassador and Department Chairman have on your program.
- You are to become very familiar with your program.
  - Learn who the National Ambassador is. The Ambassador is a national appointment by the National President.
  - Read National and Department Program Books.
  - Allow your creative juices and craftiness of your members to plan, execute and report the items listed in the National and/or Department Program Books.
  - Get to know your members. Know the finances of the Auxiliary for the purpose of seeing that the Auxiliary will be able to support your project idea. If the Auxiliary Treasury is low, the membership may be willing to support a fundraiser before a project is to be executed.

Organizational Skills:

- Make sure you have all the contact information for your Auxiliary Officers and Chairmen on each level.
- Read, save and organize all information you receive from every level of the organization for your program.
- As you receive information on your program, make notes if there are deadlines, such as scholarship deadlines or award deadlines.
- Keep a record of all activity, hours spent planning, shopping, decorating, executing and cleaning up for a project.
  - Having this information will be of great assistance when it is time to write your report. It will enable to make better decisions for future project whether the same one or a new one. This will enable you and the committee to see what worked and what did not.

Communication:

- Once you have a project idea and have made contact with the President and your VFW Counterpart, take the project idea for your program and communicate this to your Auxiliary members on the meeting floor.
  - A motion is required to have project accepted by the membership. Once motion is passed, you are permitted to move along in the planning and execution of your project. Motions such as these typically come under New Business.

- A motion on your Auxiliary floor is required for expenses if your project will need to expend monies. If monies are needed, be sure to keep good records with receipts to show accounting of how, where and why monies were needed to be able to show good accounting in reporting back to your Auxiliary.
- Solicit help from your members by mentioning that you are looking for volunteers to help.
- Give them day of the week and dates and location. For an example: We will meet every Tuesday at 7 p.m. at my home for the planning. DO NOT use Auxiliary meeting time to plan your whole project. Just keep members updated on meeting nights with pertinent information for the project event.
- Consider working with other Program Chairmen or committees. Every program compliments another.
- Form a committee of three to five people.
  - Find someone who will get the word out to members and the community. Being visible is a great advertising tool to gain members. The more the communities see VFW Auxiliary presence, the more interested they will be in what we are about, why we do what we do and when asked, they will be ready to say yes to membership!
  - Form a setup and a cleanup crew (two different ones if at all possible to help share the work).
  - Determine who will do the shopping. Make sure they have a clear understanding of the budget and that receipts must be turned in to you as Program Chairman.
- Communicate with the District and/or Department Chairman as required or as necessary depending on your Department.

#### Follow Through:

- Program project is completed: A report must be written. If you complete this task as soon as the event is held, your memory, notes and record keeping will make this task a lot easier and faster.
- Have a follow-up meeting with your committee to talk about what went well, what might need improvement and any other notes for the future.
- Report as instructed by your Department. (See the Reporting Section of this guide for more assistance.)
- Request confirmation from Department and District Chairmen that your report was received.

#### Resources:

- National website, [www.vfwauxiliary.org](http://www.vfwauxiliary.org).
- National Program Book, available under Resources on the website.
- Department Program Book
- The Booklet of Instruction from the current *Podium Edition Bylaws and Ritual*, available from the VFW Store.
- Read through the National Year-End Report for an idea of what they want Auxiliaries to work on and track. (The National Year-End Report is to be completed by Department Chairmen.)

- Read the blogs from the National Ambassadors. You can sign up on the website to receive these in your email inbox.
- Read Department communications for your Department Chairman.
- Network with other Auxiliary Chairmen at your District and/or Department meetings, workshops or School of Instruction.

### **Duties of a District Chairman**

Per Section 504 of the National Bylaws, “The District shall hold at least one (1) stated meeting each year for the purpose of conducting Schools of Instruction.

- For Auxiliary Officers
- For the promotion of Auxiliary programs

The District President may appoint such Committee Chairmen as are required.”

- A District Chairman should educate members on their program, resources available, deadlines and events related to their program.
- Read, save and organize all information received from each level’s Chairmen.
- Communicate with Auxiliary Chairmen as directed by the District President with the purpose of education.

### **Duties of a Department Chairman**

The element of teamwork starts with you. Your selection as a Department Chairman means that the President has their utmost confidence in your ability to promote the program.

Every program sponsored by the VFW and VFW Auxiliary, whether jointly or separately, complements one another.

Following the Senior Vice-Presidents’ Conference, you will receive a copy of the National Ambassador’s program for your respective chairmanship. You will develop the Department Program to educate members on and engage them in the program. Review the National Awards and National Year-End Report form to include and/or incorporate these awards into your program.

Researching for your respective chairmanship should give you the passion for its development, nurturing and education on the program statewide. Acquaint yourself with other types of research to find fresh information; the internet offers a multitude of ideas and resources. You will plan your education and materials for Auxiliary to follow for that year.

As a Department Chairman, you must communicate with your National Ambassador throughout the year. Remember, it’s not the quantity of material; it’s the quality of material (promotional/educational material). All of this is what you will be judged on for National awards.

Examples of educational material:

- Each General Orders/newsletter/bulletin is to be sent to the National Ambassador.

- If you do an article for the state's VFW newspaper, send it to your National Ambassador.
- If you give a report at a Council of Administration Meeting, send a copy of the report to your National Ambassador.
- If you do a special promotion by email, Facebook, or any other type of social media, regarding your program, send the information to your National Ambassador.
- You can also send presentations from Schools of Instruction and any District visits or events.
- Also send a description of any event and/or projects that you organized and completed.

Please make yourself aware of any deadlines related to your program, especially the National Year-End Report. You MUST have your National Year-End Report to the Department President by May 1. Your Department President then inputs all the Year-End Reports into an online report for National Headquarters.

Throughout the year, you will receive promotional program bulletins from the National Ambassador. Read, save and organize this information.

National Headquarters sends an enewsletter that goes out twice a month with important information. You can sign up for it at [www.vfwauxiliary.org](http://www.vfwauxiliary.org) to keep you up to date and current on Auxiliary business.

#### Purpose:

Department Chairmen, you are to educate members on all aspects related to your program, paying special attention to the Program Goals found in Ambassador section of the National Program Book and items called out for in the National Year-End Report for your program also found in the National Program Book and Department Program Book.

You are to encourage your District Chairmen to pass down information to Auxiliary Chairmen so they may plan a project or projects set forth by National Ambassador.

#### Organizational Skills:

- Read, save and organize all communications/blogs/emails from your National Ambassador and all communications from your Department Program Coordinator (if your Department President appoints one).
- Make sure you have all contact information for each level of the organization. Your Department Secretary or District President should be able to provide this information prior to the start of the new term.
- As you receive reports, read, save and organize them in order to easily access them when needed. This process will help in determining awards as your Department Convention nears and eliminates having to read through every report received.
- Communicate award winners as directed by Department leadership.

#### Communication:

- Shortly after your Department Senior Vice-President attends the Senior Vice-Presidents' Conference, he/she should provide you with the information and material for your program from the National Ambassador. Become very familiar with all the information and resources available to you from this information.
- You will be asked by Department leadership to provide communication and education to the membership. Be sure you understand exactly what is expected of you and when.
- Send a letter/email of introduction no longer than one page to your National Ambassador in June. Include a profile of yourself:
  - How long you have been a member
  - Work and/or hobbies
  - Why you joined this organization and continue belonging
  - Provide thoughts of how you will be implementing the program goals and the ways you will be communicating
- Send a copy of all your educational items to your Ambassador every time you send one to District Chairmen and/or Auxiliary Chairmen, as well as what you present at Department meetings (workshops, Schools of Instruction, visits to Districts, etc.). Always include what Department you are from and your contact information.
- Keep a running total gleaned from reports received from your Auxiliaries of the numerical statistics (number of projects, member participation, time worked on project, miles driven and dollars spent or value).
- Know your Department's process for reporting Community Service hours/dollars to the VFW.
- Know where to obtain resources for your program and make them readily available for your District Chairmen and Auxiliary Chairmen to utilize:
  - National website, [www.vfwauxiliary.org](http://www.vfwauxiliary.org), including the Online Auxiliary Academy
  - Forms, brochures and applications
  - Current *Podium Edition Bylaws and Ritual*
- Encourage Auxiliary Chairman to post their planned project on the Department website/social media, as well as their own Auxiliary website/social media.

#### Follow Through:

- Set up a "response time goal" to emails, mail and phone messages. A 24-48 hour response time is reasonable. Should you not have a solid answer or should you be out of town or away from your home, give a quick call back or a short email/text letting them know when you will be back and available to give sound information. DO NOT ignore any question.
- Do not break confidence of what is being asked or said. Members count on confidentiality, especially if they are not sure of themselves.
- Keep in mind that Districts and Auxiliaries do have their traditions near and dear to them. If you have something to offer that may be of assistance, by all means, share it with them.
- Always praise when warranted. Positive comments first, then educate on possible corrections.
- Send a thank-you note after visiting a District meeting or whenever the occasion might call for it. Thank the members when addressing or presenting to them.

## Planning and Preparing Projects

### Auxiliary Projects

#### Purpose:

- Think of a project that will include and bring your community together. Have a solid “why” for this project, such as inspire patriotism, to give recognition to veterans, to teach youth, to bring awareness to the Scholarships Program, to bring veterans’ issues to the forefront through legislation, etc.
- Consider who you might collaborate with in the community, such as other organizations or businesses. Look to the National and Department program goals for inspiration.
- Need help to get started? Not sure of a project? Call on your Auxiliary President or your District Chairman. Even consider asking your Department Chairman. Everyone is on the same team and will help you.

#### Communication:

- When you determine the event/project you would like your Auxiliary participate in, you will need to bring it up under New Business at a regular Auxiliary meeting.
  - State your project and move that the Auxiliary adopt the project.
  - A second is required to further discussion. You may ask a fellow Auxiliary member to second the motion.
  - Discussion will be called for. Here you may elaborate more on the event/project, including:
    - Date and times (Give yourself and members ample planning time. Steer away from suggesting an event that will take place by your next meeting. This does not allow for enough planning time and you will be setting yourself up for failure. Look at least three months ahead for solid planning.)
    - Money from the treasury for food, material, music, etc. It’s best to have a projected amount ready to propose.

The President sees the motion through, and if passed, you may proceed with planning.

- You should not be planning the whole event at one meeting as it could take hours to do so.
- State that you will be needing help and say what help is needed, such as set up, clean up, kitchen help, procuring the park site, letters, flyers to be displayed in the community, newspaper and radio contact, etc. Consider staying after the meeting with a sign-up sheet and capture contact information for those interested.
- Within a day or two after the Auxiliary meeting, contact all those who are interested. Call or email them and tell them you would like to meet. Give a date, time and location. If meeting at Post Home, be sure to get permission from the appropriate authorities prior to the meeting. You can also meet at your home, a coffee shop or another convenient location.

- Confirm with your volunteers what each of their roles will be. Ask them to report back to you and when.
- At the following and subsequent Auxiliary meetings, report the progress of the event planning. Let members know if and what further help will be needed on the event day.
- Don't forget to contact local media and use social media to promote your project.
- Teamwork will always ensure a great project!

#### Follow Through:

- Following the event, hold a meeting with those who volunteered. Discuss the positives and negatives of the event and make notes of what was done well, as well as notes on what could have been done better.
- Send thank-you notes to all your volunteers if possible, as well as to anyone in the community who provided service or assistance with your event. Also send thank-you notes to any dignitaries or community leaders who may have attended.
- If a member or members did an especially good job for you, print Good Job Awards from the National website and ask to present them at an upcoming meeting.

#### Department Projects

The Department Chairmen may be called upon to assist with VFW and Auxiliary programs, projects and events.

Due to the extreme variation nationwide on these duties, please coordinate with Department leadership on expectations and assignments.

Work with your VFW counterpart (if applicable) to ensure a successful project or event.

Please see the Reporting section on requirements and guidelines.

## Reporting

### WHY to report:

1. Collecting the information from your Auxiliary-approved events and projects, such as volunteers, hours and dollars, helps to substantiate your IRS nonprofit status. Should your organization be audited by the IRS, they will look to these documents to prove you are fulfilling the mission of your organization.

2. Keeping a record of your Auxiliary's events and projects help you to tell the story of your Auxiliary to the community. Reporting that information to the Department and therefore the National level helps the organization tell its story as a whole.

### WHAT to report:

- Describe the event. Give as many details as possible.
- Designate what program(s) to report under, such as Americanism or Legislative.
- Number of volunteers. A volunteer is a person who gives time to the project or event before, during or afterwards in direct relation to the outcome. Volunteers are not paid.
- Amount of money expended, to include any funds spent in direct relation to the event or project. May include mileage at an estimated value established by the IRS. At the time of printing, the value was at \$0.14/mile.

### WHEN to report:

- Compile this information as soon as possible. It becomes more difficult to compile the information the further you get from the event or project.
- Report as often as your Department requests.

### HOW to report:

- Each Department establishes its own reporting system. For details and assistance, contact your Department Chairman and/or Department Secretary.
- Follow up to be sure your report was received.

### Best Practices in Reporting:

- Do not double report. A project may be applied to multiple programs. However, the hours, volunteers and expenses should be split between those programs. For example: Your Auxiliary visits a local elementary school and teaches children to recite the Pledge of Allegiance. While

you are there, you have the children make cards for hospitalized veterans. Five members organized and attended the event. It took six total hours to plan, prepare and complete the event. The Auxiliary spent \$32 on supplies. The project can be reported in the Americanism Program and in the Hospital Program. Under Americanism, you decide to report three volunteers, four hours and \$25. Under Hospital, you decide to report two volunteers, two hours and \$7.

- Use common sense. If a project or event doesn't seem to be covered by a specific program, choose the program most closely related.
- If a project does NOT fit a program in any way, then report the information to the VFW for inclusion in the Community Service Report.
- Include your name, contact information, Auxiliary number and the best way to reach you.
- Keep one copy for Auxiliary records.
- Don't forget to report financial donations made by motion or established by standing rules.
- If your Auxiliary participates in a District and/or Department event, be sure to report this information, i.e., volunteers, hours and expenses.

#### Reporting for Districts

- District Chairmen, if appointed, should assist the Department in the reporting process as requested. They may or may not be involved.
- Be sure to learn the responsibilities regarding reporting as a District Chairman. These differ widely by Department.
- Assist in educating Auxiliaries on the important of reporting and the Department's designated process.

#### Reporting for Departments

- Be sure you understand your responsibilities as it concerns your Department's reporting system. This system for reporting is established by the Department leadership. It may be digital or written.
- You MUST fill out the National Year-End Report form founds in the National Program Book. The form is due to your Department President by May 1.
- Please be aware that this is separate from the promotions, materials and presentations you will be sending all year long to your National Ambassador.
- You should also be helping to encourage and assist Auxiliaries in the reporting process.

#### Reporting to the VFW Community Service Chairman

Each Department has established a system for collecting and reporting Community Service information to the VFW. Make sure you clearly understand what is expected of the Auxiliary, how to communicate it and when. The VFW usually collects and sends information twice a year to VFW National Headquarters.

## Fiduciary Responsibility of Officers including Treasurers and Trustees

### **What is a fiduciary?**

Essentially a fiduciary is a person that owes to another or to a group the duties of good faith and trust. That person is bound ethically to act in the best interest of the other or of the group. While a fiduciary may be responsible for physical wellbeing of another a fiduciary is usually responsible for the financial management of the assets of a person or group. Bankers, accountants, executors, board members, and corporate officers are all considered fiduciaries.

Therefore it follows that the Treasurer and Trustees of the VFW Auxiliary at all levels have a fiduciary responsibility to the Auxiliary and its members. They are expected to act in accordance with the approved actions of the Auxiliary that are not in conflict with the Bylaws, and also to advise the Auxiliary as to financial matters.

As the Treasurer is the officer responsible for the finances of the Auxiliary, it falls to that person to be a fiduciary for the Auxiliary. You are expected to act in accordance with the approved actions of the Auxiliary but also to advise the Auxiliary as to financial matters.

An example of this would be:

EXAMPLE: The Auxiliary considers a motion to donate \$100 to a charity that is researching childhood diabetes. The Auxiliary believes that the donation can be taken from the Relief Fund that has enough to cover the donation.

As Treasurer, it would be your fiduciary responsibility to advise the Auxiliary that a donation to that particular charity does not meet the Relief Fund guidelines. The same donation from the General Fund would seriously deplete that fund.

You have done your duty as a fiduciary:

1. You advised the Auxiliary of the Bylaws regarding the Relief Fund.
  - If in doubt about the appropriate use of Relief Funds, the motion could be requested to be tabled until clarification can be obtained from Department.
2. You advised the Auxiliary of the status of the General Fund.

It is then up to the Auxiliary to act.

Once you have advised the Auxiliary as in the example above, the final decision is up to the membership. Too many times the Treasurer takes it upon themselves to not act in accordance with the approved motions.

Certainly as Treasurer and as a fiduciary to the Auxiliary, you have the moral obligation to obey the Bylaws – that’s part of the ethical requirement of being a fiduciary. However, if the Auxiliary approves a motion, the Treasurer needs to abide by their decision.

The Treasurer is in the unique position to act as a liaison between the Auxiliary members and others, including the VFW officers and members.

EXAMPLE: The VFW Quartermaster comes to you as Treasurer and asked for assistance from the Auxiliary to pay a bill. It is not your responsibility, nor do you have the authority to authorize that expenditure (unless it’s a standing rule).

However, you can discuss the matter so that you can bring it to the membership with knowledge. You can bring up for discussion why the Post needs assistance with paying bills.

Having a good relationship with the Post officers allows you to facilitate (offer other alternatives) and at the same time support the Auxiliary position (explain where Auxiliary funds are allocated).

The references herein to the Bylaws and other suggestions are meant to assist those officers with fulfilling their duties as officers and their fiduciary responsibility.

## **Role of the Treasurer**

*Comments in Italics are not a part of the Bylaws and are informational only.*

Bylaws Sec. 813 - Treasurer, Duties of (All Levels)

- Duties of the Treasurer are most efficiently conducted through electronic means.
  - *Basic computer knowledge is helpful.*
- The Treasurer is responsible for keeping National Headquarters up to date with bank information, i.e. account number and/or routing number.
  - *Failing to have accurate information will cause delay in processing dues and receiving funds from National Headquarters.*
- The Treasurer shall be the Treasurer of all Auxiliary committees handling funds.
  - *All funds should be turned over to the Auxiliary Treasurer immediately. When receipts are not immediately given (50/50 drawings), it’s recommended that the person collecting the cash and at least two others assist in counting cash and write receipt.*
- The Treasurer shall, at the end of their term of office, or sooner if so ordered by proper authority, transfer to their successor without delay, all paper, books, money, and other property of the Auxiliary in their possession.
  - *Once the newly elected Treasurer takes office, all of the Treasurer’s books, etc. need to be turned over to that person.*
- Upon approval by the National President, the Auxiliary President may appoint an acting Treasurer when the Treasurer is unable to function for a period of time due to illness, death, resignation, or extended vacations.

- The request must be in writing to National President.
  - *It is acceptable to email the request to National Secretary who will communicate the request to the National President. Be sure to include a time period such as 3 months. Then follow up and advise the National Secretary that the elected Treasurer is ready to resume her duties. Or if necessary, advise the National Secretary that the elected Treasurer has resigned or passed away and election will be held to fill that vacancy at upcoming regular or special meeting. See Sec. 809B.*
- All funds shall be accounted for by the Treasurer in the Auxiliary books
- Which shall consist of a ledger, cash book, or a computerized system
- And printed and secured in a permanent record book
- So long as the records contain the same data as required formats prescribed by National Headquarters.
  - *Available at the meeting should be either the actual ledger book or computerized print outs.*

*Members have the right to see the Treasurer's books but not to dictate when and where. There should be mutual respect – the Treasurer and the member that wants to see the Treasurer's book should work together to set a time and place that works for everyone.*

- The manner in which the Treasurer's Reports are read, printed and/or distributed shall be at the discretion of the Auxiliary by vote of the membership.
  - *The Auxiliary gets to decide if they want the report read or copies distributed or both. Reading all those numbers makes members zone out. If your Auxiliary votes to distribute copies, consider giving the members a few minutes to look it over before asking if there are any questions. Some people appreciate having a copy of what's being presented so they can follow along. Some members are concerned about the information being taken out of the meeting room. So the membership gets to choose!*
- The Trustees or Audit Committee members shall sign each page in said permanent record book.
  - *Trustees should sign and date the bank statements/reconciliations and copies of receipts at time of audit.*
- The Treasurer shall collect all money due and give a receipt for all cash.
  - *The Auxiliary Treasurer should always have a receipt book available so that a receipt can be issued immediately. This is a good procedure to have in place to avoid discrepancies.*
- The Treasurer shall submit all forms necessary to be in compliance with Federal and State regulations.
  - *Make sure to file the appropriate IRS tax forms and state tax forms if required by your state. If in doubt contact your state Department of Revenue or state tax office. Every Auxiliary needs to file at least a 990-n e-Postcard with the IRS by November 15 if their gross receipts are less than the revenue threshold. Currently, that revenue threshold is \$50,000. If the Auxiliary's gross receipts are greater than \$50,000, they must file a Form 990 or Form 990-EZ. If you have questions, you can always call National Headquarters and get some general*

*advice, but if you have a specific issue, you need to contact the IRS. They are not the enemy! The current phone number for the IRS Exempt Organization area is 1-877-829-5500.*

### **Additional Items for Treasurers – All levels**

As Treasurer, it is your responsibility to be organized and ready for the Auxiliary meeting. The same holds true for audits. By being organized and prepared you show your respect for the other officers and members and they are more engaged.

Everyone's time is valuable.

### **Sec. 813A – Auxiliary Treasurer**

- The Auxiliary Treasurer shall hold all funds and securities belonging to the Auxiliary in a FDIC or equivalent Banking Institution in the name of the Auxiliary.
  - *Do not jeopardize Auxiliary funds by holding them in a non FDIC (Federal Deposit Insurance Corporation). This is part of protecting Auxiliary funds.*
- An Auxiliary shall have a General Fund and a Relief Fund
- And Any other funds needed, such as:
  - A National and Department Dues Fund
  - A Cancer Insurance Fund
  - A Kitchen Fund
  - A Bingo Fund
  - And so forth

*There is no limit to the number of funds an Auxiliary can use. The primary reason to use different fund names is to ensure that donations for specific funds are kept as restricted.*

*Some different examples are:*

*Youth Activities Fund  
Christmas Fund  
Hospital Fund  
Cancer Aid & Research Fund  
Cancer Aid & Research Grant Program Fund  
Bingo Kitchen Fund  
Youth Activities Fund  
VFW National Home Fund*

*Funds names that cease to be used should be deleted from records.*

- Money in the Funds shall be maintained in one (1) checking account.
- However, if state law requires money in the Bingo, Gaming or similar Fund to be maintained in a separate checking account, then the Auxiliary may have two (2) checking accounts.

- Auxiliary bonds purchased for the office of the President and Treasurer do not cover gaming accounts
- An Auxiliary may also have savings and investment accounts upon approval of the Auxiliary.
- Auxiliaries may not possess credit cards, ATM (Automated Teller Machine) cards, and/or debit cards.
  - *Standing Rules are the best tool to allow the Auxiliary to continue to do business between meetings and to take care of unexpected matters. See the section 211 of the National Bylaws.*
  
- Bills may not be paid electronically.
  - With the exception of money transferred to National Headquarters
  - Or for the purpose of paying taxes
    - *Since Auxiliary checks must be countersigned by the President (Booklet of Instructions) paying bills electronically cannot be done.*
- The General Fund contains unrestricted monies, which may be expended for any purpose.
- The other Funds established contain restricted funds, which may only be expended for the purposes for which they were received.

*When a company or an individual makes a donation to the Auxiliary, whether it's a \$100 check or buying dinner at the annual VFW National Home dinner for example, they expect that their donation will be expended for that purpose.*

*Consider the differences between what can be paid from the General Fund and what can be paid from the Relief Fund. The approved uses of the Relief Fund are shown in the Booklet of Instructions.*

*Most are very specific but a couple are pretty broad, such as:*

- 7. To perpetuate the memory of deceased veterans and members of the Armed Forces and to comfort their survivors.*
- 8. To foster true patriotism through historical and educational programs*

*Items that can be paid from the Relief Fund should be paid from that fund first since that is a restricted fund. Items that cannot be paid from the Relief Fund must be paid from either the General Fund or another fund specified for that purpose.*

*EXAMPLE: The Auxiliary approves donation of \$50 to the Girl Scouts to help scouts go to camp. That donation does not meet the criteria for payment from the Relief Fund.*

*EXAMPLE: The Auxiliary approves advancing funds to a member who volunteers at a nursing home and wants to have special treat for veterans there on Veteran's Day. That donation does meet the criteria for payment from the Relief Fund.*

- The Treasurer shall collect and process dues in accordance with the procedures established by the National Treasurer.
  - *The membership application process includes:*
    - *A legible, complete, accurate, signed application: The very first step in the application process is reviewing the application. Make sure that it's*

*legible. Talk to your members, Post members, Post employees and ask for their help. Ask them to make sure that the application is clear and complete. You can always call and get the information but what if you can't read the phone number?*

- *Payment: Payments should be deposited prior to entering the new member in MALTA to avoid insufficient funds, especially of Life Member fees.*
- *Review of eligibility by the Investigating Committee: Investigating Committee members need to know where to look for eligibility information and different methods to prove eligibility.*
- *Ineligible applicants – You receive an application and it's clear the veteran is not eligible. Do you wait and give it to the Investigating Committee at the meeting? No, call the applicant and go over the eligibility requirement. They may not have understood the application and did not fill it out properly or they may have another veteran that meets the requirement. But do not embarrass them by waiting for the meeting, have the Investigating Committee find them ineligible and make that announcement. If they do not have an eligible veteran, invite them to volunteer with you. After all, there must have been a reason why they wanted to join. You may not have a member, but you may get a great volunteer.*
- *Acceptance or Rejection by vote of the Auxiliary: If a member is rejected for cause other than ineligibility:*
  - *Refund any application fee and/or dues by check.*
  - *Make sure Minutes notate that member was found ineligible or rejected. This makes a difference – an ineligible applicant may reapply; a rejected applicant must wait one year before they can reapply into THAT Auxiliary.*
  - *Mark the application “REJECTED” and send a duplicate copy to the Department Treasurer.*
  - *Treasurer processes the membership in MALTA or forwards to the Department Treasurer.*
  - *Forward copy of the completed application (including Investigating Committee Signatures and date of acceptance) to the Department Treasurer even if the Auxiliary entered the member in MALTA.*

***Records get lost or destroyed, and it's best for the Department to have a copy of applications also. However, DO NOT keep eligibility documents! Eligibility documents need to be returned to the member and advise the member to keep the documents readily available for any future needs. Identity theft is real – Auxiliaries should never keep items that have personal information that can be stolen.***

- The Treasurer's report shall be presented in any manner determined by vote of the Auxiliary.
  - Shall include in detail, all receipts and disbursements of the last meeting

- And pre-approved customary expenses and all receipts since the last meeting.
- No motion to accept this report is necessary
  - The Treasurer's report is a report given as of that day. When the Trustees audit the Treasurer's books and they discover an error, the Treasurer will correct the error and that will change that report.
- The Auxiliary Treasurer shall send the names and fees, if applicable, of the Delegates and Alternates to the Department Treasurer prior to the Department Convention.

### **Booklet of Instruction - Auxiliary Treasurer, Duties of**

1. Under receipts, the Treasurer will report the amount of dues received from each member since the previous meeting. Any discrepancies will be checked immediately. Following the meeting, the Treasurer will enter the dues in the Treasurer's bound ledger, cashbook or in a computerized system.

2. At each Auxiliary meeting, the Treasurer shall make a report following the Reading of the Minutes, which shall contain:

- a) Balance on hand at last report.
- b) Amount received from all sources since last report
- c) Amount expended since last report
- d) Balances on hand.
  - a. Treasurer's report must show all receipts and disbursements in detail, including name of the person or firm to whom check is issued and stating for what purpose.

### **Booklet of Instruction - Auxiliary Treasurer Miscellaneous**

See this Section for instructions on:

1. Past Officers' Pins

**2. All checks must be countersigned by the President. Treasurer must not sign blank checks, nor shall President countersign blank checks.**

**3. Auxiliaries may not possess credit cards, ATM (Automated Teller Machine) cards, and/or debit cards.**

4. If the Treasurer is unable to be present at a meeting, the Auxiliary President shall appoint a Treasurer pro tem, who shall record the receipts and disbursements. The Treasurer pro tem is not permitted to sign checks in the absence of the Treasurer; the name of the Treasurer pro tem would not be on record at the bank and checks would not be honored. The Treasurer shall as soon as possible following the meeting at which he/she was absent, prepare the checks for payment, as indicated on the records given him/her by the Treasurer pro tem.

*The Booklet of Instruction contains a suggested format for Treasurer's Report. The Treasurer may also use computer programs for the reports such as spreadsheets (Microsoft Excel) or an accounting program (Quicken, QuickBooks).*

#### **Additional Items for Auxiliary Treasurers**

- ✓ ***All disbursements of Auxiliary funds must be approved by the Auxiliary membership, either by approved motion as stated in the minutes or Standing Rule.***
- ✓ ***Consider your role as mentor. As Treasurer you have the opportunity to mentor not just new members but our longtime members. Both may have questions regarding matters that fall under the Treasurer (finances, standing rules, membership, etc.). The Auxiliary Treasurer is one of the first mentors to new members. Always be open, honest, kind and courteous with the other members. Remember, it's their Auxiliary too and their finances that you have charge over.***

#### **Bylaws Sec. 813B – County Council / District Treasurer**

- The Treasurer shall hold the funds and securities
- Expend the same only on proper action at a regular or special meeting thereof
- Perform such other duties as are necessary to their office
- The report of the Treasurer at each meeting shall include all receipts and disbursements of the last regular meeting in detail.
- The report shall be given in any manner voted on.
- No motion to accept this report is necessary.

#### **Bylaws Sec. 814 – Trustees, Duties of (All Levels)**

*(An audit is a process involving the verification of the accounting for all monies received by the Auxiliary and all monies disbursed by the Auxiliary, among other things.)*

All Audits are to be completed by the elected Trustees:

- With a minimum of two (2) in attendance. At least one (1) must be an elected Trustee.
- The President, Secretary, and Treasurer should attend the audit. They are not allowed to perform the audit.
  - *The Auxiliary officers must make every effort to conduct the audit at time and place that allows all the appropriate officers to attend. Having an audit on a Monday morning when two of the Trustees work, does not allow them to do their duty as Trustees.*
- A signed copy of the accepted audit shall be forwarded to the Department Treasurer.
  - *The Department Treasurer is going to review the audit for errors and anything that appears out of order.*
- A pro tem can be appointed to audit the books under extenuating circumstances.

**It shall be the duty of the Trustees:**

- To properly audit the books and records of the Auxiliary Treasurer and Secretary.
  - *Why do we need to audit the books and records of the Secretary? It is your responsibility to verify that disbursements were approved by the Auxiliary by proper motion and vote or if the disbursement is covered by a Standing Rule. **Every disbursement must be checked for Auxiliary approval in the Secretary's Minutes or Standing Rules.***

*The audit is a process to verify the accounting for all monies received by the Auxiliary and all monies disbursed by the Auxiliary.*

- *Verify monies received are in the correct fund*
- *Verify receipts for cash are shown*
- *Disbursements by check – verify the check number, date, payee and purpose are shown*
- *Verify the back side of reconciled checks are included.*
- *Receipts for purchases are included*
- *Accounts are being reconciled monthly*
- *Bond amount is sufficient and approved by membership*
- *Appropriate tax forms have been filed*

*Items to have on hand for an audit:*

- ✓ *Podium Edition Bylaws and Ritual (Current edition)*
- ✓ *Treasurer's Guide*
- ✓ *Calculator*
- ✓ *Membership Reports*
- ✓ *Phone numbers for Department President and Department Treasurer*

*Auxiliary Trustees need to know what an audit entails and then they can decide how to complete the task. The end result of a proper, complete audit is the goal and the Trustees can find the method that works for them.*

- No later than the end of the month following the expiration of each quarterly period.
  - First Quarter ending March 31      Audit to be completed by end of April
  - Second Quarter ending June 30      Audit to be completed by end of July
  - Third Quarter ending September 30      Audit to be completed by end of October
  - Fourth Quarter ending December 31      Audit to be completed by end of January

*If the Auxiliary needs an extension for their audit, contact the Department President.*

- Trustees or a pro tem shall sign the audit
  - *Some Auxiliaries have the President and Secretary sign below the date of the audit to show they were present for the audit.*
- All pages attached to the record books shall be signed by the Trustees at the time of the audit.

- *If corrections need to be made to the Treasurer's books or Secretary's books, that can't easily be made at the audit, adjourn and meet again.*
- The Trustees shall submit and read the written report during an Auxiliary meeting.
  - *At least one of the Trustees present for the audit, should read the report and move to accept it.*
- A motion to accept the audit is required.
- A copy of the accepted audit shall be included in the minutes record book.
  - *The Trustees can sign multiple originals of the audit report or copies can be made of the original.*
- They shall quarterly record the date of the audit made and certify by their signatures in all books that the books and records were found correct.
- They shall verify all expenditures of the Auxiliary and certify by their signatures to the correctness of each bill before payment may be made of same by the Treasurer.
  - *Trustees should carefully check each bill before authorizing payment. Verify that all items on the bill are appropriate for that event or donation.*
- They shall, in addition to the foregoing, audit the records and accounts of all committees, Officers and members, having to do with the receipt and expenditure of the Auxiliary funds and perform such other duties incident to their office as the Auxiliary may direct or the law require.
- The Senior Trustee whose term expires at the next election serves as Chairperson and shall call the meetings for the audits.
- Audit reports must be incorporated in the minutes, but the Secretary may read only the balances.
  - *It's easiest to attach a copy of the audit report to the Minutes and incorporate them by attachment. The audit report is attached to the minutes of the meeting when the audit was accepted.*
- Any negligence on the part of the Trustees in carrying out the mandates of this section, or in attending audits, shall make them individually and collectively responsible, with any others, for and discrepancy.
  - *If there is any doubt as to the seriousness of the duties of the Trustees, this section makes it clear. We expect Trustees to be diligent in their duties. Do not just sign a blank audit form or an audit form that the Treasurer has filled out.*
- It shall be the duty of the Trustees to see that the offices of the President and Treasurer are bonded with an indemnity company authorized by National Headquarters or the Department.
- As surety in a sum at least double the amount of funds and value of property for which, so far as can be anticipated, the President and Treasurer may be accountable.
  - *Example: If the Auxiliary averages \$30,000 a year in all Auxiliary accounts (checking/savings) the bond amount is \$60,000.*
- The amount shall be approved by the body and the bond premium paid from their funds.
  - Trustees need to verify:
    - The approved amount of the bond.
    - The required amount of the bond.
    - That the bond premium has been paid.

- The office of President shall hold the original bond of both offices.
  - *Using MALTA, the Auxiliary can print multiple copies.*
- A copy of the President and Treasurer bond shall be incorporated into the minutes each year.
  - *A copy of the bond needs to be given to the Secretary to include in minute book.*
- Should a Trustee resign, move away, etc., the Auxiliary will elect a member to fill in the un-expired term of that particular Trustee.
  - *There is always some confusion on this issue. Trustees do not “move up”. Here’s an example: The Auxiliary 2 year Trustee is moving out of state and resigns. The 3 year and 1 year Trustees remain in their respective office. The Auxiliary will hold an election to fill the office of 2 year Trustee and will complete that term.*

### **Booklet of Instructions – Trustees**

1. It is the duty of the Trustees to audit the books. The following shall be brought to the audit for review by the Trustees:

- a) Secretary’s record book
- b) Treasurer’s record book
- c) Checkbooks
- d) Bank Statements
- e) Cancelled Checks
- f) Savings account books, if any.
- g) Certificates of deposit or other similar investments, if any
- h) Cash receipt book
- i) Membership records, such as Transmittals
- j) Membership reports available from the National website (refer to MALTA for Reports)

*The Trustees should not attempt to do an audit without all the required books and documents. A copy of the previous audit needs to be provided also.*

2. The Quarterly audit of books is conducted by the Trustees (See Sec. 814). The President, Secretary and Treasurer should attend the audit.

3. As stated in Sec. 814 of the National Bylaws, copies of each Audit must be sent to the Department Treasurer.

4. A check of receipts and expenditures is made. The balance on the Treasurer’s records must agree with the balance on the bank statement (reconciliation). The Trustees sign the Secretary’s book, all pages attached to the books shall be signed by the Trustees at time of audit, and Treasurer’s book as having been examined and found to correspond with the record of the Treasurer with reference to disbursements. This record is kept by the Secretary in the minutes since he/she presents the bills and balance on hand. A copy of the Audit Report must be given to the Secretary to be secured in the official record book.

*Trustees need to verify the receipts provided for items that are purchased. All expenditures from the Auxiliary account must have a corresponding receipt. There is no other way to verify that the expenditure was used for the intended purpose.*

*Example: The Auxiliary approves advancing funds to purchase food for a fundraiser dinner – a burger night. The member who volunteered to purchase the food submits the receipt which includes all the items for the burger night but at the bottom is a bottle of laundry detergent. If the Treasurer has not caught the discrepancy, it is up to the Trustees to bring it to the attention of the Treasurer.*

**5. It is not the duty of the Trustees to correct the Treasurer's or the Secretary's records, but the duty of the Treasurer or Secretary. The Trustees check the Treasurer's and the Secretary's books during the audit and report their findings in their report. If any mistakes are reported, the Treasurer or the Secretary, himself/herself, shall be directed by the President to make the necessary correction(s) in his/her book. The Trustees shall sign the audit after all mistakes, if any, have been corrected.**

*The Booklet of Instructions contains a suggested format for Auxiliary Audit Report with detailed assistance in completing the form. The form is also available on the VFW Auxiliary website, [vfwauxiliary.org](http://vfwauxiliary.org).*

#### **Additional Items for Trustees:**

- a) All receipts are needed in the audit process.
- b) Are transactions in the correct fund?
- c) If cash was received, was a receipt given and shown?
- d) If payment was made by check, is the check number, date, payee and purpose listed in the Treasurer's book.
- e) Do you have all required receipts for transactions?
- f) Is the Treasurer reconciling accounts monthly?
- g) Are all motions authorizing expenditures in the Secretary's Book or in the Standing Rules, with the exception of dues?
- h) Is a copy of the last audit in the Secretary's book?
- i) Have all required federal, state and local tax forms/reports been filed?

Red flags to watch for are those things that look out of the ordinary and should be questioned:

- ✓ Treasurer is not providing copies of the backs of cancelled checks if requested
- ✓ There are consistently outstanding deposits
- ✓ Bank statement shows "auto" disbursements
- ✓ Bank statements are not reconciled
- ✓ Bank statements show debit or credit card disbursements
- ✓ Bank statements show cash withdrawals
- ✓ Purchase receipts are missing

#### **Booklet of Instructions - Record Retention Guide**

*Includes suggested Retention Periods for Treasurer's Records (Ledgers, Audits, Bank Statements, Cancelled checks, Receipt books, Vouchers, etc.)*

*Budgets*

*Membership Applications*

## **Sec. 211 – Standing Rules (Auxiliaries, County Councils, Districts and Departments)**

- Auxiliaries, County Councils, Districts and Departments may establish Standing Rules to provide for specified operations, activities, events, expenses and disbursements between meetings provided such rules do not conflict with the National or Department Bylaws.
- Custom has the status of a standing rule, and standing rules may be amended, modified, or rescinded at any meeting.
  - If prior notice is given, the vote is by majority vote of those members present.
  - If previous notice is not given, the vote is by a two-thirds (2/3) vote of those members present. Standing Rules become effective immediately.

*Standing Rules allow the Auxiliary to do business between meetings. They also keep meeting time down since disbursements made due to Standing Rule do not need to be approved again. Standing Rules need to be clear and concise and answer all the “what if” questions. Standing Rules should be reviewed at least annually to amend those that need to be updated and rescind those that are no longer needed.*

*Here are examples of both ambiguous and concise Standing Rules:*

*BAD: Auxiliary will provide financial aid to a member as needed.*

*GOOD: Auxiliary will provide financial aid to an Auxiliary member in good standing upon approval of the Trustees. Said aid shall not exceed an aggregate amount of \$100 during the fiscal year (July – June). Aid will not be given directly to the member but instead to third party vendors.*

*BAD: Kitchen Chairman may spend \$100 for supplies.*

*GOOD: The Kitchen Chairman may spend up to \$100 per month to purchase food and/or supplies for the kitchen for Auxiliary events. Receipts must be provided.*

## **MALTA – Log in at [vfwauxiliary.org](http://vfwauxiliary.org)**

MALTA is the new Auxiliary membership database.

Auxiliary Treasurers can now:

- ✓ Process all their continuous members’ dues
- ✓ Enter new members – both annual members and life members
- ✓ Convert Annual Members to Life Members
- ✓ Rejoin members
- ✓ Review the Auxiliary membership list
- ✓ Edit member’s information (change name, update address, phone and email)
- ✓ Keep up with Auxiliary membership percentage
- ✓ Configure Dues – make sure the dues amount is accurate. This is especially important! Members paying their dues online will pay this amount.
- ✓ Mark members as deceased

- ✓ Print address labels

***It is the responsibility of the Treasurer to make sure that the bank account information (ACH) for the Auxiliary is up to date. National Headquarters will deposit the Auxiliary portion of dues paid online by members directly into the Auxiliary account.***

PLEASE NOTE:

- ✓ Transfers of Auxiliary members must go through Department Treasurer.
- ✓ Auxiliary Treasurers who do not want to use MALTA can continue to send membership to the Department Treasurer.

## Department Treasurers

### What is a fiduciary?

Essentially a fiduciary is a person that owes to another or to a group the duties of good faith and trust. That person is bound ethically to act in the best interest of the other or of the group. While a fiduciary may be responsible for physical wellbeing of another a fiduciary is usually responsible for the financial management of the assets of a person or group. Bankers, accountants, executors, board members, and corporate officers are all considered fiduciaries.

Therefore it follows that the Treasurer and Trustees of the VFW Auxiliary at all levels have a fiduciary responsibility to the Auxiliary and its members. They are expected to act in accordance with the approved actions of the Auxiliary that are not in conflict with the Bylaws, and also to advise the Auxiliary as to financial matters.

As the Treasurer is the officer responsible for the finances of the Auxiliary, it falls to that person to be a fiduciary for the Auxiliary. You are expected to act in accordance with the approved actions of the Auxiliary but also to advise the Auxiliary as to financial matters.

An example of this would be:

EXAMPLE: The Auxiliary considers a motion to donate \$100 to a charity that is researching childhood diabetes. The Auxiliary believes that the donation can be taken from the Relief Fund that has enough to cover the donation.

As Treasurer, it would be your fiduciary responsibility to advise the Auxiliary that a donation to that particular charity does not meet the Relief Fund guidelines. The same donation from the General Fund would seriously deplete that fund.

You have done your duty as a fiduciary:

1. You advised the Auxiliary of the Bylaws regarding the Relief Fund.
  - If in doubt about the appropriate use of Relief Funds, the motion could be requested to be tabled until clarification can be obtained from Department.
2. You advised the Auxiliary of the status of the General Fund.

It is then up to the Auxiliary to act.

Once you have advised the Auxiliary as in the example above, the final decision is up to the membership. Too many times the Treasurer takes it upon themselves to not act in accordance with the approved motions.

Certainly as Treasurer and as a fiduciary to the Auxiliary, you have the moral obligation to obey the Bylaws – that's part of the ethical requirement of being a fiduciary. However, if the Auxiliary approves a motion, the Treasurer needs to abide by their decision.

The Treasurer is in the unique position to act as a liaison between the Auxiliary members and others, including the VFW officers and members.

EXAMPLE: The VFW Quartermaster comes to you as Treasurer and asked for assistance from the Auxiliary to pay a bill. It is not your responsibility, nor do you have the authority to authorize that expenditure (unless it's a standing rule).

However, you can discuss the matter so that you can bring it to the membership with knowledge. You can bring up for discussion why the Post needs assistance with paying bills.

Having a good relationship with the Post officers allows you to facilitate (offer other alternatives) and at the same time support the Auxiliary position (explain where Auxiliary funds are allocated).

The references herein to the Bylaws and other suggestions are meant to assist those officers with fulfilling their duties as officers and their fiduciary responsibility.

## **Role of the Treasurer**

*Comments in Italics are not a part of the Bylaws and are informational only.*

Bylaws Sec. 813 - Treasurer, Duties of (All Levels)

- Duties of the Treasurer are most efficiently conducted through electronic means.
  - *Basic computer knowledge is helpful.*
- The Treasurer is responsible for keeping National Headquarters up to date with bank information, i.e. account number and/or routing number.
  - *Failing to have accurate information will cause delay in processing dues and receiving funds from National Headquarters.*
- The Treasurer shall be the Treasurer of all Auxiliary committees handling funds.
  - *All funds should be turned over to the Auxiliary Treasurer immediately. When receipts are not immediately given (50/50 drawings), it's recommended that the person collecting the cash and at least two others assist in counting cash and write receipt.*
- The Treasurer shall, at the end of their term of office, or sooner if so ordered by proper authority, transfer to their successor without delay, all paper, books, money, and other property of the Auxiliary in their possession.
  - *Once the newly elected Treasurer takes office, all of the Treasurer's books, etc. need to be turned over to that person.*
- Upon approval by the National President, the Auxiliary President may appoint an acting Treasurer when the Treasurer is unable to function for a period of time due to illness, death, resignation, or extended vacations.
  - The request must be in writing to National President.
    - *It is acceptable to email the request to National Secretary who will communicate the request to the National President. Be sure to include a time period such as 3 months. Then follow up and advise the National Secretary that the elected Treasurer is ready to resume her duties. Or if necessary, advise the National*

*Secretary that the elected Treasurer has resigned or passed away and election will be held to fill that vacancy at upcoming regular or special meeting. See Sec. 809B.*

- All funds shall be accounted for by the Treasurer in the Auxiliary books
- Which shall consist of a ledger, cash book, or a computerized system
- And printed and secured in a permanent record book
- So long as the records contain the same data as required formats prescribed by National Headquarters.
  - *Available at the meeting should be either the actual ledger book or computerized print outs.*

*Members have the right to see the Treasurer's books but not to dictate when and where. There should be mutual respect – the Treasurer and the member that wants to see the Treasurer's book should work together to set a time and place that works for everyone.*

- The manner in which the Treasurer's Reports are read, printed and/or distributed shall be at the discretion of the Auxiliary by vote of the membership.
  - *The Auxiliary gets to decide if they want the report read or copies distributed or both. Reading all those numbers makes members zone out. If your Auxiliary votes to distribute copies, consider giving the members a few minutes to look it over before asking if there are any questions. Some people appreciate having a copy of what's being presented so they can follow along. Some members are concerned about the information being taken out of the meeting room. So the membership gets to choose!*
- The Trustees or Audit Committee members shall sign each page in said permanent record book.
  - *Trustees should sign and date the bank statements/reconciliations and copies of receipts at time of audit.*
- The Treasurer shall collect all money due and give a receipt for all cash.
  - *The Auxiliary Treasurer should always have a receipt book available so that a receipt can be issued immediately. This is a good procedure to have in place to avoid discrepancies.*
- The Treasurer shall submit all forms necessary to be in compliance with Federal and State regulations.
  - *Make sure to file the appropriate IRS tax forms and state tax forms if required by your state. If in doubt contact your state Department of Revenue or state tax office. Every Auxiliary needs to file at least a 990-n e-Postcard with the IRS by November 15 if their gross receipts are less than the revenue threshold. Currently, that revenue threshold is \$50,000. If the Auxiliary's gross receipts are greater than \$50,000, they must file a Form 990 or Form 990-EZ. If you have questions, you can always call National Headquarters and get some general advice, but if you have a specific issue, you need to contact the IRS. They are not the enemy! The current phone number for the IRS Exempt Organization area is 1-877-829-5500.*

## **Additional Items for Treasurers – All levels**

As Treasurer, it is your responsibility to be organized and ready for the Auxiliary meeting. The same holds true for audits. By being organized and prepared you show your respect for the other officers and members and they are more engaged.

Everyone's time is valuable.
